SPEAKING GUIDE

FOR MEMBER COUNTRY INTERVENTIONS

**1 representative from each CAREC Member Country is asked to intervene
in Session 6 (Discussion):**

Please limit your intervention to **max 5 minutes**,
answering the following questions:

- 1) In view of the possible mid-term review of the CAREC Energy Strategy 2030, tentatively considered for 2026-2027, we kindly invite you to share specific directions, topics, or projects in the energy sector that your country would propose for consideration, particularly those not adequately covered under the current Strategy.
- 2) Considering the upcoming capacity-building mission to China (November 2025) and interconnectivity and transmission workshop planned for Q2 2026 in Tashkent, how can the workshops best address the key challenges and opportunities your country currently faces in the context of regional energy transmission and interconnectivity?
- 3) Reflecting on the plan to organize a 2026 Energy Investment Forum, are there any specific themes your country would appreciate the forum to focus on?
