

CAREC and COP29

Carmen Garcia Perez, Regional Cooperation Specialist, ADB

CAREC WGCC | Baku, 3 Sept. 2024

CAREC Activities for COP29

- Proposed CAREC sessions and side events:

Initiative	Tentative Date and Time	Venue
1. CAREC Climate Change Action Plan –including key initiatives on <i>CAREC Regional Early Warning System and Regional Climate Risk Assessments and Resilient Infrastructure Planning</i> – and CAREC Climate and Sustainability Project Preparatory Fund (CSPPF)	14 Nov 9:30-10:30am	ADB pavilion
2. CAREC Partnership for Climate, Innovation and Trade (proposal from Azerbaijan)	14 Nov 2:00-3:00pm	Azerbaijan pavilion

- Capacity building support on **carbon market opportunities** and **Article 6** (on technical aspects, subsections 6.2 and 6.4) to be provided to WGCC members in September in Baku

Proposed Format and Next Steps

1. CAREC Climate Change Action Plan and CSPPF:

- Proposed Format: Presentation of CCAP and CSPPF by ADB Management followed by panel discussion with selected CAREC Ministers and high-level representatives from development partners
- Next Steps: CAREC Secretariat to send official invitations to member countries

2. CAREC Partnership for Climate, Innovation and Trade:

- Proposed Format: Ministerial roundtable with signing of declaration
- Next Steps:
 - CAREC Secretariat to send letters to National Focal Points informing on AZE's proposal and sharing draft declaration
 - AZE to send declaration and invitations to CAREC Ministers through official COP communication channels.

Thank you for your attention
