

# **Outcomes of 18<sup>th</sup> Customs Cooperation Committee Meeting**

5<sup>th</sup> Joint Meeting of Customs Cooperation Committee (CCC)  
and CAREC Federation of Carrier and Forwarder Associations  
21 June 2019  
Tashkent, Uzbekistan

# Outcomes of 18<sup>th</sup> CCC Meeting

Topic / Agenda	Agreements Reached
<b>CCC 2019-2021 Work Plan</b>	<b><u>Endorsed</u></b> the CCC 2019-2021 work plan under CAREC Integrated Trade Agenda (CITA) 2030 three-year rolling strategic action plan (RSAP) 2019-2021.
<b>Proposed Asian Development Bank (ADB) technical assistance (TA)</b>	<b><u>Took forward</u></b> processing of the proposed Asian Development Bank (ADB) technical assistance (TA), designed to continue implementation of the CCC work plan in its identified priority areas
<b>Implementation of the World Trade Organization (WTO) Trade Facilitation Agreement (TFA)</b>	<b><u>Continued to support</u></b> CAREC customs to enhance national implementation of WTO TFA. Technical assistance to help CAREC countries meet their TFA commitments  <b><u>Coordinate with ADB</u></b> for better utilization of methodological approaches of the CAREC corridor performance measurement and monitoring (CPMM) mechanism and the time release study model.

# Outcomes of 18<sup>th</sup> CCC Meeting

Topic / Agenda	Agreements Reached
<b>CAREC Advanced Transit System (CATS) and Information Common Exchange (ICE) Pilot Test</b>	<b><u>Endorsed to proceed</u></b> with CAREC Advanced Transit System (CATS) and Information Common Exchange (ICE) pilot test. The pilot test launch is expected to launch in December 2019.
<b>Authorized economic operator (AEO) systems</b>	<b><u>Intensify efforts</u></b> to develop and implement effective authorized economic operator (AEO) systems
<b>Joint Customs Control (JCC)</b>	<b><u>Continue support</u></b> to ongoing Joint Customs Control (JCC) initiative between the People's Republic of China (PRC) and Mongolia and replicate the JCC model in other CAREC BCPs.

# Outcomes of 18<sup>th</sup> CCC Meeting

Topic / Agenda	Agreements Reached
<b>State Customs Committee of Uzbekistan's Integrated Information Exchange System for the CAREC region</b>	<b><u>Further consider</u></b> the proposal of the State Customs Service of Uzbekistan to develop an Integrated Information Exchange System for the CAREC region
<b>Trade facilitation investment projects</b>	<b><u>Supported</u></b> identification and preparation of trade facilitation investment projects to improve border services and develop single windows, particularly those identified in the RSAP 2019-2021.

Thank you.
