Possible barriers and tools for effective knowledge management

1. Barriers to Accessing Information
2. Overcoming Knowledge Management Barriers
3. Best Practices in CAREC
4. Learning from Failures
5. Recommendations for Improvement

Something to Think About...

- What are your knowledge needs in relation to the proposed CARTIF?
- Are there specific knowledge solutions that can be achieved through CARTIF?
- What are your intended outcomes from CARTIF and who are expected to take lead?
- Are there other suggestions to elevate communications within CAREC?
